PROFILE

Highly motivated and results-oriented individual with a strong passion for technology and a knack for quickly mastering new skills. Eager to leverage my adaptability and collaborative spirit to excel in a Python developer role. I thrive in both team-oriented and independent work environments, and I'm particularly energized by challenges that require creative problem-solving and solutions that benefit others. Open to exploring various Python development opportunities, I'm excited to contribute my abilities to a dynamic and innovative company.

EMPLOYMENT HISTORY

Postal Worker, Ukrposhta

Kyiv

Oct 2021 — Apr 2022

- Maintained excellent customer service by interacting with residents and businesses.
- Successfully resolved 95% of customer inquiries on the first contact, increasing customer satisfaction.
